

Renewable energy- and construction industry mission in Budapest (Hungary)

Visits, presentations and B2B with the local companies

Dear energy frontrunner,

The European [ClusterXchange programme](#) & the [SMARTENERGY](#) project support you to visit energy mission in Hungary!

From Wednesday 5 until Friday 7 October the energy and building trade clusters [ArchEnerg](#) with their innovation partners are happy to host you for a dynamic 3-day programme and to connect you to the -for you- most relevant actors in Hungary!

INDUSTRY
